N/A

2,200m²

This rustic villa with pool is on 2,200m² plot settled in the pine forest of Canadas De San Pedro. It is a renovation project but could be converted into a beautiful villa with gardens with an extra business opportunity. Situation on a quiet elevated plot it has a drive way, parking area on the right with an outhouse building which was once used as a gym area. On the left there is a gard...(Ask for More Details!)
